SAFETY DATA SHEET according to 1907/2006/EC, Article 31

## **CO<sub>2</sub> EMULATION FLUID**

Page 1/6

Revision 0 Revision date 2014-12-23

|   | Revision date 2014-12   |
|---|---|
| SECTION 1: Identification   | of the substance/mixture and of the company/undertaking   |
| 1.1. Product identifier   |   |
| Product name  | CO <sub>2</sub> EMULATION FLUID   |
| 1.2. Relevant identified uses   | of the substance or mixture and uses advised against  |
| Description   | Special effects fluid.  |
| 1.3. Details of the supplier of   | the safety data sheet   |
| Company   | Prolight Concepts (UK) Ltd  |
| Address   |   |
|   | Lumen House<br>Stancliffe Street  |
|   | Blackburn   |
|   | Lancashire  |
|   | BB2 2RP (UK)  |
| Web   | www.prolight.co.uk  |
| Telephone   | +44 (0) 1254 704111   |
| Email   | info@prolight.co.uk   |
| Email address of the  | info@prolight.co.uk   |
| competent person  |   |
| 1.4. Emergency telephone nu   | umber   |
| Emergency telephone number  |   |
|   | 9.00am - 5.30pm Mon - Fri   |
| SECTION 2: Hazards iden   | *   |
| 2.1. Classification of the subs   |   |
| Main hazards  | No Significant Hazard   |
| 2.3. Other hazards  |   |
| Other hazards   | No information is available that indicates that the ingredients meet the criteria for classification as |
|   | PBT or vPVB in accordance with Annex XIII of Regulation 1907/2006 (REACH).                              |
| SECTION 3: Composition/   | information on ingredients  |
| 3.2. Mixtures   |   |
| 67/548/EEC / 1999/45/EC   |   |
| Chemical Name   | Index No. CAS No. EC No. REACH Registration Conc. Classification<br>Number (%w/w)                       |
| Mono propylene glycol<br>(Propane-1,2-diol total vapour al<br>particulates) | 57-55-6 200-338-0 20 - 30%<br>nd  |

### 3.2. Mixtures

| EC 1272/2008   |                 |                   |                  |   |                 |                       |
|--|-----------------|-------------------|------------------|---|-----------------|-----------------------|
| Chemical Name  | Index No.       | CAS No.           | EC No.           | REACH Registration<br>Number                        | Conc.<br>(%w/w) | Classification        |
| Mono propylene glycol<br>(Propane-1,2-diol total vapour and<br>particulates) |                 | 57-55-6           | 200-338-0        |   | 20 - 30%        |                       |
| SECTION 4: First aid measu   | res             |                   |                  |   |                 |                       |
| 4.1. Description of first aid measure  | sures           |                   |                  |   |                 |                       |
| Inhalation of liquid   | Move the ex     | posed person      | n to fresh air.  |   |                 |                       |
| Eye contact with liquid  |                 | •                 |                  | for 15 minutes holding                              | the eyelid      | s open.               |
| Skin contact with liquid   |                 |                   |                  | ap and water. Remove                                |                 | -                     |
| Ingestion of liquid  | Rinse mouth     | thoroughly.       | Drink 1 to 2 g   | lasses of water. DO NO                              | T INDUC         | E VOMITING.           |
| 4.2. Most important symptoms a   | and effects, bo | th acute and o    | delayed          |   |                 |                       |
| Inhalation of liquid   | May cause r     | ninor irritation  | to respirator    | y system.   |                 |                       |
| Eye contact with liquid  | May cause r     | ninor irritation  | to eyes.         |   |                 |                       |
| Skin contact with liquid   | May cause r     | ninor irritation  | ı to skin.       |   |                 |                       |
| Ingestion of liquid  | May cause r     | ninor irritation  | to mucous n      | nembranes.  |                 |                       |
| 4.3. Indication of any immediate   | medical atten   | tion and spec     | cial treatment   | needed  |                 |                       |
| Inhalation of liquid   | Seek medica     | al attention if i | irritation or sy | mptoms persist.                                     |                 |                       |
| Eye contact with liquid  | Seek medica     | al attention if i | irritation or sy | mptoms persist.                                     |                 |                       |
| Skin contact with liquid   | Seek medica     | al attention if i | irritation or sy | mptoms persist.                                     |                 |                       |
| Ingestion of liquid  | Seek medica     | al attention if i | rritation or sy  | mptoms persist.                                     |                 |                       |
| SECTION 5: Firefighting mea  | asures          |                   |                  |   |                 |                       |
| 5.1. Extinguishing media   |                 |                   |                  |   |                 |                       |
|  | Use extingui    | shing media a     | appropriate to   | o the surrounding fire co                           | onditions.      |                       |
| 5.2. Special hazards arising from  | n the substand  | ce or mixture     |                  |   |                 |                       |
|  | Burning proc    | duces irritating  | g, toxic and o   | bnoxious fumes.                                     |                 |                       |
| 5.3. Advice for firefighters   |                 |                   |                  |   |                 |                       |
|  | Wear suitab     | le respiratory    | equipment w      | hen necessary.                                      |                 |                       |
| SECTION 6: Accidental relea  | ase measure     | s                 |                  |   |                 |                       |
| 6.1. Personal precautions, prote   | ective equipme  | ent and emerg     | ency proced      | ures  |                 |                       |
|  | Ensure adec     | quate ventilati   | on of the wor    | king area.  |                 |                       |
| 6.2. Environmental precautions   |                 |                   |                  |   |                 |                       |
|  | Do not allow    | product to er     | nter drains. P   | revent further spillage it                          | f safe.         |                       |
| 6.3. Methods and material for co   | ontainment an   | d cleaning up     |                  |   |                 |                       |
|  |                 |                   |                  | Sweep up. Transfer to s<br>ly with plenty of water. | suitable, la    | belled containers for |
| 6.4. Reference to other sections   | 5               |                   |                  |   |                 |                       |
|  | See section     | 2, 3, 8, 13 for   | further inform   | mation.   |                 |                       |
| SECTION 7: Handling and st   | torage          |                   |                  |   |                 |                       |
| 7.1. Precautions for safe handlin  | •               |                   |                  |   |                 |                       |
|  |                 | -                 |                  | ire adequate ventilation handling, carrying and     |                 |                       |
| 7.2. Conditions for safe storage   | , including any | incompatibili     | ties             |   |                 |                       |
|  |                 |                   |                  |   |                 |                       |

Keep in a cool, dry, well ventilated area. Keep containers tightly closed. Store in correctly labelled

#### 7.2. Conditions for safe storage, including any incompatibilities containers. Store at temperatures between 5 °C and 20 °C. 7.3. Specific end use(s) Special effects fluid for creation of smoke effects. SECTION 8: Exposure controls/personal protection 8.1. Control parameters See section 8.2 for further information. 8.1.1. Exposure Limit Values Mono propylene glycol WEL 8-hr limit ppm: -WEL 8-hr limit mg/m3: 10 (Propane-1,2-diol particulates) WEL 15 min limit mg/m3: -WEL 15 min limit ppm: -WEL 8-hr limit ppm: 150 WEL 8-hr limit mg/m3: 474 Mono propylene glycol (Propane-1,2-diol total vapour and particulates) WEL 15 min limit ppm: -WEL 15 min limit mg/m3: -8.2. Exposure controls 8.2.1. Appropriate engineering Ensure adequate ventilation of the working area. controls 8.2.2. Individual protection Wear protective gloves if decanting product. measures Eye / face protection If decanting and in case of splashing, wear: Approved safety goggles. Chemical resistant gloves (PVC). Skin protection -Handprotection

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

## $CO_2$ EMULATION FLUID

|                          |                             |

#### 9.2. Other information

| Conductivity          | No data available |
|-----------------------|-------------------|
|                       | No data available |
| Gas group             | Not applicable.   |
| Benzene Content       | Not applicable.   |
| Lead content          | Not applicable.   |
| VOC (Volatile organic |                   |
| compounds)            |                   |

## SECTION 10: Stability and reactivity

10.1. Reactivity

|  | No data available.  |  |
|--|---|--|
| 10.2. Chemical stability               |   |  |
|  | Stable under normal conditions.                             |  |
| 10.3. Possibility of hazardous re      | eactions  |  |
|  | No data available.  |  |
| 10.4. Conditions to avoid              |   |  |
|  | High temperatures.  |  |
| 10.5. Incompatible materials           |   |  |
|  | Strong oxidisers and acids.                                 |  |
| 10.6. Hazardous decomposition products |   |  |
|  | Burning produces irritating, toxic carbon based products.   |  |
| SECTION 11: Toxicological i            | information   |  |
| 11.1. Information on toxicologic       | al effects  |  |
| Acute toxicity                         | LD 50 for monopropylene Glycol 21000-33700 mg/Kg oral - Rat |  |
| Skin corrosion/irritation              | May cause minor irritation to skin.                         |  |

| 11.1. Information on toxicologica | al effects   |
|-----------------------------------|--|
| Serious eye damage/irritation     | May cause minor irritation to eyes.  |
| Respiratory or skin sensitisation | No sensitisaton effects reported.  |
| 11.1.4. Toxicological Information | 1  |
|                                   | No evidence of toxicological effects   |
| SECTION 12: Ecological info       | rmation  |
| 12.1. Toxicity                    |  |
|                                   | No data available  |
| 12.2. Persistence and degradab    | ility  |
|                                   | Biodegradable.   |
| 12.3. Bioaccumulative potential   |  |
|                                   | Very low.  |
| 12.4. Mobility in soil            |  |
|                                   | High. Soluble in water.  |
| 12.5. Results of PBT and vPvB     | assessment   |
|                                   | No information is available that indicates that the ingredients meet the criteria for classification as PBT or vPVB in accordance with Annex XIII of Regulation 1907/2006 (REACH).   |
| 12.6. Other adverse effects       |  |
|                                   | None known.  |
| SECTION 13: Disposal consi        | derations  |
| 13.1. Waste treatment methods     |  |
|                                   | Contact a licensed waste disposal company.   |
| Disposal of packaging             |  |
|                                   | Do NOT reuse empty containers. Empty containers can be sent for disposal or recycling.   |
| SECTION 14: Transport info        | mation   |
| ADR/RID                           |  |
|                                   | The product is not classified as dangerous for carriage.   |
| IMDG                              |  |
|                                   | The product is not classified as dangerous for carriage.   |
| ΙΑΤΑ                              |  |
|                                   | The product is not classified as dangerous for carriage.   |
| SECTION 15: Regulatory info       | ormation   |
| 15.1. Safety, health and environ  | mental regulations/legislation specific for the substance or mixture   |
| Regulations                       | COMMISSION REGULATION (EU) No 453/2010 of 20 May 2010 amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.
