

POWERBALL WHITE

DESCRIPTION

Powerful 200W LED alternative to the classic mirror ball with pin spots! DMX controlled cold & warm white spinning beams.

FEATURES

- Powerful 200W LED alternative to the classic mirror ball with pin spots!
- This POWERBALL offers the same kind of effect but with many more possibilities!
- 20x 10 Watt Led's (10x Warm White + 10x Cold White) distributed over 4 individually controllable groups.
- Simple and quick installation, easy to use.
- Comprehensive DMX control over rotation speed, colors (WW/CW), strobe, etc.
- Or just use the great built-in programs for wonderful, ever-changing light shows.
- Multiple modes of operation:
 - DMX-controlled via 1, 3, 4, 8 or 10 channels
 - Standalone: sound activated (internal microphone) or automatic
 - Standalone: controlled via the included IR remote control
- Several units can be connected in master/slave to create beautiful synchronized shows.
- 3-digit LED screen for easy menu navigation.
- USB connection for wireless DMX control with an optional Briteq® WTR-DMX dongle.
- Multiple units can be easily interconnected via Powercon power in/out.
- Easy truss mounting using the included Omega bracket.
- Reduced height for fixed installation in Cafés and clubs with low ceiling.
