

# Harlequin Duo Pro™

Established over four decades ago, Harlequin Duo is the original double-sided dance and stage floor. It's a hardwearing yet lightweight calendered vinyl that is slip-resistant on both sides, thus providing two floors in one! Special wear coats make it easy to maintain and it rolls out quickly.

**Harlequin Duo Pro** has the same features as Harlequin Duo but with the addition of a new mineral fibre interply layer, it is now even more dimensionally stable and therefore relaxes and lays flat even quicker.

Ideally laid onto any hard, smooth surface, **Harlequin Duo Pro** is suited to touring due to ease of handling and portability and is suitable for a wide variety of uses including ballet, contemporary, percussive dance including flamenco, Irish and tap, multi-purpose use, hip-hop, jazz, street, aerobics, zumba, concerts, display, exhibitions, television, theatres and for operatic performances.
