

# PDU634C32RCB 0-3U PDU63 series Power Distribution Unit

**Distribution of mains power** is the backbone of any performance, sound, lighting or vision system. **Safety, reliability** and compliance with the **relevant standard** are factors, which ensure that your power distribution system will **protect the people** who not only use it, but also those who are legally responsible for the overall **safety of the installation**.

SRS **Power distribution devices** are internationally recognized as **reliable, of good value and solid construction**. SRS manufactures a range of power distribution systems for **touring and installation purposes**.

All power distribution systems are **designed, built, tested** according to **the customer's needs and wants** to comply with **EN/IEC or CSA/UL standards**.

We provide a **wide range of custom-made power distributors** in different sizes and shapes with variety of connectors.
